Complete audio demos are downloadable from: <http://www.suonopuro.it/ewipreen.html?i6s2>

USAGE

The patches are stored in a *.SQS file usable with Uniquet AKAI EWI 4000s software, that is included on CD ROM with your EWI4000s, or with Vyzex Editor for EWI4000s, downloadable from AkaiPro site: <http://www.akaipro.com/ewi4000s/?tt=5>

- 1) Install the editor of your choice, and connect your EWI 4000s to the computer using a MIDI interface. Connect the MIDI OUT from the MIDI interface to the MIDI IN on the EWI4000s and the MIDI IN to the MIDI OUT.
- 2) Turn on your EWI4000s. Leave the EWI4000s in this state and proceed with loading instructions according to the software you wish to use.

UNIQUEST INSTRUCTIONS

1) double click here to download your set from EWI to UniQuest

2) open Suonopuro bank

3) arrange the 2 windows side-by-side and click Preset Bank View in both

4) holding down alt, click and drag the cursor to copy your favorite patches into an empty position (one by one)

5) upload the Suonopuro set to your EWI
